

EMERGENCY & SAFETY TECHNOLOGY EXHIBITION

of China Hi-Tech Fair 2019

**Enhance Safety by Technology and
Innovation Development**

Date: November 13-15, 2019

Venue: Great China (Shenzhen) International Exchange Square

Website: www.interemc.net

The 21st edition of China Hi-Tech Fair (CHTF) will take place from 13-17 November 2019 in Shenzhen, which is the largest and the most influential scientific and technological fair in China and is renowned as “the No.1 Technology Show in China”. CHTF is jointly held by Ministry of Commerce of The People’s Republic of China, The People’s Republic of China ministry of science and technology, Ministry of Industry and Information Technology, National Development and Reform Commission, Ministry of Agriculture and Rural Affairs of The People’s Republic of China, State Intellectual Property Office, Chinese Academy of Sciences, Chinese Academy of Engineering and Shenzhen municipal people’s government.

To implement the disaster prevention and mitigation required by government, China (Shenzhen) International Emergency & Safety Technology Development Forum 2019 and China (Shenzhen) International Emergency & Safety Technology Exhibition will be held from 13-15 November 2019 at Great China (Shenzhen) International Exchange Square. It is the first exhibition at CHTF dedicated to emergency and safety technology.

Emergency & Safety Technology Exhibition is approved by CHTF Committee, running collaboration with both Shenzhen Safety Management Committee Office and Emergency Management Bureau of Shenzhen Municipality. The organizers will join hands with Shenzhen Urban Public Safety and Technology Institute and Shenzhen of Academy of Disaster Prevention and Reduction to hold the exhibition, promoting the exhibition theme of “Enhance Safety by Technology and Innovation Development”. Covering an area of 7,000 sq.m., a sizable number of excellent companies will appear at the exhibition as groups from provinces and cities and be organized as theme display. It’s where the cutting-edge technology and products of emergency safety industry will be showcased and business relationships will be built. The exhibition will also include a series of concurrent events, including Emergency Safety and Technology Development Forum and Sub-forums of Emergency Information Management and Advanced Technology Equipment, so as to build a platform in the industry to bring the most trendy information and promote communication.

Sub-Forum 2: Advanced Technology Equipment Forum

Time: 14:10-17:30, November 14, 2019
Venue: Conference Room, Great China (Shenzhen) International Exchange Square, China
Content: Advanced Emergency Technology Equipment Technology Sharing, Demands Discussion, Collaborative Innovation

HIGHLIGHTS

- 
- 01 Co-hosted by governments with policy direction
 - 02 Leading experts deliver key information of industry
 - 03 Guided by high-grade, precision and advanced products, be the gateway to the industry trends
 - 04 Designed to meet the needs of markets and link suppliers with buyers
-

CONNECTING KEY PLAYERS PROGRAMME

- 1,000 enterprises decision makers will attend.
- 1,000 key distribution agents and engineers will attend.
- 1,000 experts will attend to discuss the cooperation.

EXHIBITION COVERAGE

- 1

Emergency Command, Communication, Information Acquirement and Auxiliary Decision Products
- 2

Key Emergency Rescue Equipment
- 3

High-Precision Monitoring and Warning Products
- 4

Risk Prevention and Control and Work Safety Equipment
- 5

Special Emergency Rescue Support Equipment
- 6

Fire Rescue Equipment
- 7

Emergency Medical Rescue Products
- 8

Intelligent Unmanned Emergency Rescue Equipment
- 9

Special Response Equipment for Environmental Emergency Accident
- 10

Specialized Technical Service of Emergency Management
- 11

Social Emergency Resource
- 12

Other Comprehensive Disaster Prevention and Mitigation Technology, Equipment and Service

PARTICIPATION PROCESS

Apply to exhibit (Complete company information and exhibits) - Submit application - Approval by the Organizing Committee - Confirm booth - Confirm payment - Receive Exhibitor Manual - Ready for exhibition - Attend to display

Domestic Enterprises

Shell-stand Booth: RMB 13800 / 9m²
Raw-space Booth: RMB 1300 / m² (Min 36m²)

Foreign Enterprises

Shell-stand Booth: USD 2300 / 9m²
Raw-space Booth: USD 230 / m² (Min 36m²)

INVITE TO SUPPORT

- **Media Partner**
We will provide you the free advertisement in our show catalog and promote on website.
- **Association Partner**
We are sincere to invite your association / organization to support and attend the expo to meet with global experts. You will be provided with the particular services.
- **Exhibitor / Visitor**
Attend the expo as exhibitor or visitor to find your business partner and develop the large market in China.

Why choose us?

- China leading emergency technology safety event
- Bringing manufacturers, dealers and buyers together
- Outstanding on-site activities for both exhibitors and visitors during the expo period
- Our international cooperation network will provide you exposure
- We will get you the most comfortable services and valuable experience
- Our insightful forum is the way for you to learn the latest technology
