EXPO MONGOLIA 2019 **INTERNATIONAL MULTI SECTOR** **AND MINING TRADE FAIR** **AND CONFERENCE**

With the support of a large number of official bodies, trade promotion agencies, chambers of commerce and associations, the 7th International Multi Sector and Mining Trade Fair and Conference on Sustainable Development, Expo Mongolia 2019, gathered 61 participants from 10 countries at the Misheel Expo Center, Ulaanbaatar, from October 9 to 11, 2019.

Expo Mongolia 2019 was inaugurated by Mr. Bold L., Member of Parliament, Chairman of Inter-parliamentary friendship group of Mongolia and Germany, two members of the Mongolian Parliament, the German Ambassador and the President of Mongolian Water Academy. As the only multi-sector trade fair in Mongolia, Expo Mongolia 2019 put a wide array of innovative products from various economic sectors on display. Three international pavilions took part at this lively event, thus exploring the lucrative potential of Mongolia.

Expo Mongolia 2019 attracted new countries and business profiles, adding further variety to the event. Visitors flocked from the various countries, driven by the opportunities to seal prosperous business deals, gain access and knowledge to new, innovative products at their fingertips

TESTIMONIALS

NOROVSAMBUU G.

KHAANZAA LLC,
MONGOLIA

“ We deliver various construction projects including water and waste water treatment solutions for domestic, municipal and industrial utilisation. We have successfully participated in Expo Mongolia 2019. We are providing product pricing and technology solutions at one of the major meat-processing companies that we contacted at Expo. We are currently cooperating on the contract stage. It is also undergoing an agreement to offer clean-up to a major tourist company. We had the opportunity to showcase our products in detail to individuals. So far, we had no experience with individuals purchasing our products. However, we are also interacting with a potential buyer at contract level. It was great to work with you.”

ENKHBAYAR J.

OTTO GRAF GMBH,
GERMANY

“ We participated for the first time as an exhibitor with the company Otto Graf at Expo Mongolia 2019. The structure and equipment of the exhibition stands and the whole arrangement were very good. To achieve our participation goals, we concluded 2 contracts for the sale of sewage treatment plants and attracted a total of at least 200 interested parties. We were very pleased.”

ERDENEZUL B.

GRAND MED HOSPITAL,
MONGOLIA

“ Between Oct 9-11 the exhibition, Expo Mongolia 2019 was held at Misheel Expo. During the exhibition, we have given some information about Grand-Med hospital and Baatar-Van resort and their services. Our impressions of that experience can be described as follows: Because it was an international exhibition, it gave certain advantages for us. At this exhibition we showed that the surgery of back pain is done at The Grand-Med hospital and we are happy about this opportunity.

The exhibition was under such professional organization that made it hygienically clean for such big event. That gave us certain satisfaction.

We are hopeful for future cooperation!”
