Our International Open Access Journals

- 700+ Leading-edge Peer Reviewed Open Access Journals
- 21 Day Rapid Review Process
- 50000+ Editorial Board Team, 35000+ Reviewers team
- 30 Million Readers and High Visibility
- 1000+ Scientific Associations Collaborations
- 100000+ Likes 
- Publication immediately after acceptance
- Quality and Quick editorial, review processing

Salient Features

- Easy to Submit and Review Systems
- High Quality and Fast Publishing Guaranteed
- Unbiased, quality-oriented, and transparent reviews
- Truly impartial recognition of the best papers
- Feedback on the impact of every article
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits
- User friendly/feasible website articles translations across more than 50 world languages

Our International Scientific Conferences

- More than 3000 Conferences happening across the globe
- Conferences organized in Medical, Pharma, Engineering, Science, Technology and Business.
- CME/CPD Accredited Conferences fostering professional and Personal development
- Continuum of education through organized scientific program
- Renowned speakers and scientists representing from 40 countries
- Highly Interactive sessions and Panel Discussions
- B2B Meetings offers perfect platform for Global Networking

Salient Features

- Robust on-line publicity for all the speakers and organizing committee members
- Career Guidance Workshops for students and early career researchers
- Accepted Abstracts will be published in various indexed journals
- Accepted abstracts will be labeled with a Digital Object Identification Number (DOI) provided by Cross Ref
- Creation of speakers and abstracts pages in Google
- Opportunity to publish full Manuscripts in our Open Access Journals

Special Issues: All accepted abstracts will be published in respective Conference Series LLC LTD Journals

Each abstract will be provided with digital Object Identifier by

About Hong Kong

Hong Kong is an autonomous region on the western side of the Pearl River estuary in East Asia. Macau is bordered by the city of Zhuhai in Mainland China to the north and the Pearl River Delta to the east and south. Hong Kong lies about 64 kilo meters (40 mi) to its east across the Delta With a population of 650,900 living in an area of 30.5 km² (11.8 square mi), it is the most densely populated region in the world. A former Portuguese colony, it was returned to Chinese sovereignty on 20 December 1999.

Best known globally as the 'Vegas of China', the Tin Shui Wai Special Administrative Region is indeed a mecca of gambling and glitz. But the city is so much more than that. A Portuguese colony for more than 300 years, it is a city of blended cultures. Ancient Chinese temples sit on streets paved with traditional Portuguese tiles. The sound of Cantonese fills the air on streets with Portuguese names. You can eat Chinese congee for breakfast, enjoy a Portuguese lunch of cardo Verde soup and balaua (cod) fritters, and dine on hybrid Macanese fare such as Minchin (ground beef or pork, often served over rice).

The Macau Peninsula holds the old city Centre, where colonial ruins sit next to arty new boutiques. Further south are the conjoined islands of Taipa, Coati and Colane. Taipa has gloriously preserved Macanese architecture, Coati is home to the new mega casinos and Colane is lined with colonial villages and pretty beaches.
