SCON NANO 2018

INVITATION

Scholarena welcomes you to attend **SCON International Conference on Nanotechnology** which is going to be held in **Las Vegas, USA** during **December 06-07, 2018**. We cordially invite all the participants who are interested in sharing their knowledge and research in the arena of **NANOSCIENCE** and NANOTECHNOLOGY. **SCON NANO 2018** anticipates more than 200 participants around the globe with thought provoking Keynote lectures, Oral Presentations and Poster Presentations. **SCON NANO 2018** will provide an unprecedented opportunity for Nanoscience Scientists, Plenary lectures, Professors, Nanoscience researchers, Nanotechnology associations, Doctors, and Faculty of Nanoscience, students, Researchers, Academicians, Practitioners, Early Career Scholars, students along with Industries and others engaged in endeavors related to Nanoscience and Nanotechnology research and business to share their research with colleagues, and discuss and debate the latest advances in the field.

The attending delegates include Editorial Board Members of related International Journals. This is an excellent opportunity for the delegates from Universities and Institutes to interact with the world class Scientists. The intending participants can confirm their participation by registering for the conference along with your colleagues. Avail the delegate early bird offer. The main theme of the conference is "**Emphasizing the recent developments in Nanoscience & Nanotechnology**".

The Organizing Committee has done its best to set up a framework that we think will allow for a creative interplay of ideas. All we need now to convert the extensive program on paper to an active and vibrant Nanoscience and Nanotechnology forum in person is your active participation.

Best Regards
Organizing Committee

SCIENTIFIC SESSIONS

- Nano Science and Nanotechnology
- Nanoscience and Current Research
- Nanomedicine
- Bio nanotechnology
- Nano Metrology & Nano tribology
- Nanostructures and Nano fabrications
- Nanoparticles
- Nano chemistry
- Nano biomaterials
- DNA Nano electronics
- Application of Nanotechnology
- Advanced Nano materials
- Recent Advances in Nanotechnology
- Nano Fabrications and Nano Sensors
- Organic Nanoparticles
- Polymeric Nanoparticles for Biomedical
- Oxicity of Nanoparticles
- Nano Photonics and Optics

SCON NANO 2018 SALIENT FEATURES

- Congregate with most senior executives
- Nurture connections
- Agenda format which incorporates ample Q&A time
- Partake in our revamped exhibitor expo sessions

CONFERENCES

- Well organized scientific program
- Renowned speakers and scientists across the globel
- Poster presentations and world class exhibits
- Panel discussions and interactive sessions
- B2B meetings
- Perfect platform for Global Networking
- Connecting scientific community

KEY FEATURES

- User friendly/feasible website translation of your paper to 50 world's leading languages
- Enhanced feature: Audio version of published paper
- Digital articles to share and explore
- Sharing option: Social networking enabled
- Authors, reviewers and editors are provided with scientific credits

ABOUT CONFERENCES

SCON NANO 2018 conference throws light on thought-provoking topics and recent research in the field of Nanoscience and Nanotechnologies like Green Nanotechnology, Graphenes and 2D Materials, Nanobiotechnology, Nanophonetics, Cancer Nanotechnology, Nano Pharmaceuticals, Nanotoxicity and many more.We believe that SCON NANO 2018 will be performed in a hot and friendly atmosphere full of scientific, cultural and social activities. In particular, this conference will motivate junior and young delegates by interacting with expertise in their scientific fields and by encouraging them and improving their confidence of presenting research in an international platform.
