SCON VACCINES 2018

December 06-07, 2018

INVITATION

Scholarena welcomes you to attend **SCON Summit on Vaccines Research and Immunization** which is going to be held in **Las Vegas, USA** during **December 06-07, 2018**. We cordially invite all the participants who are interested in sharing their knowledge and research in the arena of HIV and AIDS. **SCON VACCINES 2018** anticipates more than 200 participants around the globe with thought provoking Keynote lectures, Oral Presentations and Poster Presentations. SCON HIV AIDS 2018 will provide an unprecedented opportunity for immunologists & virologist, physicians, nurses/nurse-practitioners, pharmacists, psychologists, behavioral researchers, Health care professionals, social scientists, epidemiologists, social workers, AIDS service organization (ASO) staff, students, Researchers, Academicians, Practitioners, Early Career Scholars, students along with Industries and others engaged in endeavors related to STD AIDS research and business to share their research with colleagues, and discuss and debate the latest advances in the field. The attending delegates include Editorial Board Members of related International Journals. This is an excellent opportunity for the delegates from Universities and Institutes to interact with the world class Scientists. The intending participants can confirm their participation by registering for the conference along with your colleagues. Avail the delegate early bird offer. The main theme of the conference is **"Exploring the recent trends in the fields of Vaccines and Immunization"**

The Organizing Committee has done its best to set up a framework that we think will allow for a creative interplay of ideas. All we need now to convert the extensive program on paper to an active and vibrant HIV and AIDS forum in person is your active participation.

Best Regards

Organizing Committee
