SPONSORSHIP

2019

Dear Prospective Sponsor/Exhibitor,

20 YEARS OF EXCELLENCE
IN INTERNATIONAL
MEETINGS
alliedacademies.com

2019

Greetings from World Biochem 2019 !

We would like to invite you to become a sponsor at the **"World Congress on Biochemistry and Enzymology"** to be held in **Amsterdam, Netherlands** during **March 25-26, 2019**. World Biochem 2019 is a unique opportunity for your organization to connect with up to 250 leading professionals who work in a variety of academics, research, industry, government and private sectors.

The Organizing Committee is diligently working on bringing the most knowledgeable researchers from all over the world, as well as leaders in the industry to explore the recent happenings in Biochemistry and Enzymology through an energizing and informative program of speakers, and facilitating networking and business opportunities for sponsors through an interactive exhibition and a dynamic program of social events.

This high-profile event would be a great chance to present your company among the most representative group of people so don't miss this opportunity to enhance your brand and demonstrate your leadership at World Biochem 2019 .

Sponsors and exhibitors will receive acknowledgement prior to, during and after the conference through conference materials and the website, and enjoy significant contact with delegates during the exhibition and social events.

We offer a wide range of sponsorship opportunities to suit your needs. We encourage you to review the enclosed details and respond quickly, as we expect to sell out.

We look forward to your participation in this premier event, and welcoming you to Amsterdam in March 2019.

Sincerely,

Organizing Committee.

March 25-26, 2019 | Amsterdam, Netherlands

<http://biochemistrycongress.alliedacademies.com/>

We offer sponsorship opportunities for every level of interest and every budget. Standard "packages" are outlined below, but we also stand ready to customize a program and a budget that meets your unique marketing goals.

Listed below are a wide variety of sponsorship opportunities to meet your organization's budget and business development objectives.

Platinum Sponsor: 7500\$

As a title sponsor, this package ensures the highest brand profile and demonstrates your organization's commitment to addressing World Biochem 2019 . Exposure includes:

- One Plenary speaking opportunity
- Company acknowledgement on all official conference support signs, programme, and conference website and on all marketing collateral including enhanced logo on the conference holding slide
- Complimentary registration for 5 delegates
- Complimentary table top exhibition
- One set of promotional materials included in registration material
- A complimentary full page advertisement in the programme booklet
- After the event "Thank you email" to all attendees with company logo

Gold Sponsor: 5000\$

As a presenting sponsor, this package ensures your organization on a customized role in the program agenda (speaking role OR networking event) to

promote your brand. Additional benefits include:

Company acknowledgement on all official conference support signs, programme and on all marketing collateral including enhanced logo on the conference holding slide

- Special recognition on the conference website
- Complimentary registration for 3 delegates
- Complimentary table top exhibition
- One set of promotional materials included in registration material
- A complimentary full page advertisement in the conference proceedings

Silver Sponsor: 2500\$

Company acknowledgement on all official conference support signs, programme and on all marketing collateral including enhanced logo on the conference holding slide

- Special recognition on the conference website
- Complimentary registration for 2 delegates
- Complimentary table top exhibition
- One set of promotional materials included in registration material

Exhibition: 1500\$

The exhibition space will be provided either at the meetings area or at the banquets region where the welcome reception, refreshments and the posters will be and so there will be plenty of opportunity for you to interact with the delegates. Each booth will have access to power and lighting.

Why Sponsor?

Sponsoring the World Biochem 2019 Conference builds visibility for your brand, connects you with the industries, institutes, academicians, researchers, practitioners, students and other key stake holders which gives you a forum to share your organization's expertise.

Whether you are trying to reach your target audience at the international, national or local level, aligning your company with this conference will win your brand valuable exposure to 300+ attendees including the best talents in industry and academia.

Sponsor Benefits:

World Biochem 2019 wants to partner with you and offer a unique platform for you to interact with an audience of international specialists allowing you:

- **Wide acknowledgment** of your organization leading up to and during the conference.
- **Promote and Showcase** you can present your brand, company and products to our attendees, and meet potential clients and new employees face to face.
- **Excellent networking opportunities** during the Conference to promote your products and services to a relevant target audience.
- **An opportunity** to utilize the Conference experience to showcase your organization's position of support for these important research areas.
- **An opportunity** to source new contacts and business leads or maintain relationships with existing researchers, customers, suppliers and important institutions.
- **An opportunity** for your key staff to connect face to face with the most influential people, bodies and organizations representing from diverse research areas at one place over a short period of time.
- **The possibility** to launch new initiatives, products or services directly to your primary market.
- **Gaining access** to Conference attendees who are keen to improve their knowledge within the field, and through your organization's support, closely align your organization with attendees' professional development on a personal level.
- **Competitive advantage** you'll stand out if you're a sponsor and your major competitors aren't. If your competitors have already decided to be sponsors, your sponsorship becomes even more important, to assert your comparative market strength.

Scope and Topics

The scope of the conference covers all the niche research arenas in Biochemistry and Enzymology research happening around the world.

The latest achievements of Biochemistry and Enzymology and technological developments will be presented and thoroughly discussed through a series of Key Notes, Plenaries, Workshops, Symposiums and Poster sessions.

A broad spectrum of research and innovation activities will range from basic research to application-oriented multidisciplinary tracks and sub tracks will be addressed at the World Biochem 2019 .

Conference Highlights

- Recent developments in biochemical studies
- Chemical biology and its scope
- Structural biochemistry
- Clinical biochemistry
- Plant biochemistry
- Lipids in biological systems
- Glycobiology
- Animal biochemistry
- Metabolic pathways in living systems
- Nanotechnology in biochemistry
- Pharmaceutical biochemistry
- Current approach in biochemical techniques
- Role of biochemistry in food science
- Enzymology
- Enzymes as drug targets
- Enzyme kinetics
- Enzyme engineering and recombinant enzyme technology
- Bioprocessing techniques for enzyme production
- Genomics and proteomics
- Advances in cellular and molecular biology
- Biophysical Chemistry
- Bio-statistics and clinical research
