

June 18-20, 2019 | SNIEC Shanghai, China

About P-MEC China 2019

P-MEC China, organized CCCMHPIE, UBM EMEA and UBM Sinoexpo, has taken root in China for 13 years and has become Asia's leading pharma machinery event, providing access to the highest number of pharmaceutical manufacturing machinery, pharma packaging machinery & material, pharma cleanroom machinery & material, pharma laboratory & analytical instrument and pharma logistic cold chain equipment & machinery suppliers from China and overseas.

P-MEC China 2019 will be held during 18-20 June, 2019 in Shanghai New International Expo Center. The scale is expected to reach **70,000sqm with 1000+ exhibitors** in 2019, to create the strongest lineup in its history! Quality suppliers including Shinva Medical, CHNSUN, TruKing, IVEN Pharmatech, Tofflon, Canaan, Saideli, Nantong Highfine, Chunguang Pharmaceutical, Rommelag, and De Dietrich, etc. have confirmed their participation and will showcase the latest products.

Co-located with CPhI China 2019, **over 50,000+ pharma professional visitors** and buyers from the leading pharmaceutical companies from Asia, Europe, America and MEA regions are going to gather together to look for new business opportunities and get the latest market insight.

Exhibitors' Profile

- API Machinery
- Fluid Machinery
- General Machinery
- Preparation Machinery
- Accessories
- Purification Machinery
- Cleanroom Machinery & Equipment
- Laboratory & Analytical Instrument
- Robot
- Information System
- Automation Equipment
- Pharmaceutical Engineering Machinery
- Pharmaceutical Water Machinery
- Packaging Machinery
- Logistics Machinery
- Environmental Protection Machinery

Top Exhibitors

Visitors' Profile

- Meet with over 50,000+ pharma professionals representing the entire pharma industry chain.
- Network with the leading pharmaceutical companies and decision makers from Asia, Europe, America, Africa and other regions
- Visitors based on the business type, job titles and purchasing power to be expected at the upcoming edition include the following:

Business type

- * Pharmaceutical manufacturing company
- * Pharmaceutical ingredients manufacturing company
- * Bio Pharmaceutical manufacturing company
- * New Drug R&D company
- * Pharmaceutical manufacturing machinery trading company

Job title

- * Top management & decision maker
- * Engineering & Technical department
- * Production & Process department
- * R&D department
