

15th International Conference on

Microbial Interactions & Microbial Ecology

August 17-18, 2020 | Paris, France

Microbial Interactions 2020 scientific committee feels esteemed delight to invite participants from around the world to join us at 15th International Conference on Microbial Interactions & Microbial Ecology schedule to be held on August 17-18, 2020 in Paris, France. It will serve as a great platform to improve your knowledge and skills in this field through the various research experience and presentations. The event will have plenary speakers, established Keynote speakers, young researcher's presentations and poster presentations. In addition, there will be poster presentations along with workshops and special sessions would be interested in audience.

We invite participants to present research that transforms existing knowledge about the Microbiology. The Conference will primarily emphasize on the various topics related to Microbial Interactions, Microbial Ecology, Applied Microbiology etc. It is a world-wide dais that combines different spheres, stimulate the exchange of ideas and enable participants to grasp the latest developments and ideas in different areas of Microbial Interactions and Microbial Ecology.

Tracks

- | | | |
|--------------------------------------|--|---|
| • Microbial Interactions | • Soil microbiology & Water Microbiology | Microbiology |
| • Host-Pathogen Interaction | • Antimicrobial Agents & Resistance | • Veterinary Microbiology |
| • Plant-Soil Microbe Interactions | • Microbial Cytology, Microbial Physiology & Recombination DNA | • Microbial Pathogenesis |
| • Microbial Ecology and Evolution | • Clinical and Public Health Microbiology | • Plant Pathology & Microbiology |
| • Microbial Community | • Food & Marine Microbiology | • Microbial Biodegradation |
| • Microbial Diseases | • Molecular Microbiology | • Industrial Microbiology, Microbial Biotechnology and Future Bioindustries |
| • Microbiology & Infectious Diseases | • Cellular Microbiology & Systems | |
| • Applied and Environmental Science | | |

Participants Benefits Include:

- | | |
|---|--|
| • Access to all sessions | • Certificate of Presentation |
| • Each abstract will be labelled with a Digital Object Identification Number (DOI) provided by Cross Ref | • Group Registration discounts |
| • Speaker and Abstract pages created in Google on your name would get worldwide recognition, to your research profile | • Outstanding Young researcher award and Fellowships |
| • Handbook & Conference Kit | • Nominations for Best Poster Award |
| • Lunch during the conference | • Keynote sessions by most eminent Speakers |
| | • International Networking |
| | • Scientific Association, Collaboration and Many more..! |
