ABOUT EXPO

Guangzhou International Fire Safety Expo (IFSE) is an influential fire safety expo in China, creating the preferred platform for global industrial biggest players to come together and discuss the latest trends in fire safety.

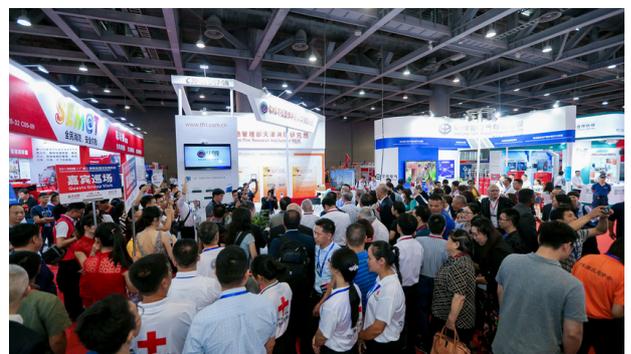

IFSE 2023 covers the whole industry chain of fire fighting and rescue, including fire fighting vehicles, PPE and rescue equipment for firefighters, forest firefighting, fire alarm and monitoring, fire extinguishing equipment, fire extinguishing equipment, and fire retardant materials.

The expo will simultaneously hold a number of domestic and overseas matchmaking meetings, and new product launch meetings, It's where businesses and networks will be built that will bring you the buyers and benefit the entire industry for years to come.

60,000 sq.m

800 Exhibitors

50,000 Visitors
